

**Let's revise something you have already learned in NMS:
PAST SIMPLE TENSE!**

(Das ist kein neuer Stoff, sondern eine Wiederholung eines Stoffgebietes der NMS!)

Die **Past Tense** (Mitvergangenheit) wird bei **regelmäßigen Verben** durch Anhängen von **-ed** bzw. **-d** gebildet.

Ergänze die Tabelle:

Present Tense	Past simple	Negation (didn't)
she works	she worked	she didn't work
I laugh	I laughed	I didn't laugh
they ask		
he answers		
we love		
you cook		
I walk		
Sally dances		
they like		
he looks		
we want		
it rains		
they act		
she enjoys		
you check in		
we repeat		
he misses		
I imagine		
we hope		
she smiles		
he paints
